

CHEMISTRY COURSE INFORMATION
Chemistry Department, CB 213, 775-784-6041
advising@chem.unr.edu, <http://www.chem.unr.edu/advising/>

Contents

1. Chemistry placement guidelines by program
2. Chemistry course prerequisites and mathematics preparation guidelines
3. Special instructions for students with high school AP Chemistry
4. Introductory and General Chemistry course descriptions
5. Organic Chemistry placement guidelines and course descriptions
6. Restrictions on double credit for similar courses

1. Chemistry Placement Guidelines by Program*

Major	General Chemistry	Organic Chemistry
Non-science majors	CHEM 100	
Honors Program students	CHEM 201H, 202H	
Nursing	CHEM 121	CHEM 220A, 220L
Chemistry, biochemistry, molecular biology, chemical engineering, and other physical sciences and engineering requiring advanced courses in chemistry and molecular science	CHEM 201, 202	CHEM 341, 342
Life sciences, environmental sciences, health sciences, ecology and conservation biology, and other sciences and engineering requiring general chemistry or organic chemistry	CHEM 121, 122	CHEM 241, 242
Pre-dental, pre-medicine	CHEM 121, 122, or CHEM 201, 202	CHEM 241, 242, or CHEM 341, 342

*These are general guidelines. See your major department adviser for specific requirements.
